

Mission Statement

At HOKU PAC, we champion a future where Ha‘aheo (Pride), ‘Ohana (Family), Kaulike (Justice), and Ui (Activate) shine as our guiding stars in our communities. We are dedicated to empowering māhū and LGBTQIA+ candidates and their allies in county and state elections, ensuring that leadership reflects the rich diversity and values of Hawai‘i.

Through strategic advocacy and grassroots mobilization, we work to elect leaders who uplift equality, equity, protect civil rights, and foster inclusivity in governance. We also support state laws, and state constitutional amendments that advance justice and fairness for all, ensuring that the laws of Hawai‘i reflect the spirit of aloha and justice (kaulike).

By stirring hearts, minds, and actions, HOKU PAC strives to build a future where all people—regardless of gender identity, sexual orientation, or background—can thrive with dignity, respect, and aloha.

Purpose

HOKU PAC is established as a non-partisan and standard noncandidate committee pursuant to Hawai‘i State law to:

1. Support and promote māhū and LGBTQIA+ candidates, as well as allied candidates, running for county and state offices in the state of Hawai‘i.
2. Advocate for and support state constitutional amendments and public policies that advance equality, justice, and civil rights.
3. Advocate against state constitutional amendments and public policies that damage equality, justice, and civil rights.
4. Engage and activate communities in political participation aligned with the values of Ha‘aheo (pride), ‘Ohana (family), Kaulike (justice), and Ui (activation).
